Statement of Completion

Statement of Completion for Oleg Razgulyaev, email address: oraz@mail.ru

Dear Oleg:

Congratulations! You have successfully completed the online non-credit offering of *Learning from Data* (introductory machine learning) taught by Dr. Yaser S. Abu-Mostafa, Professor of Electrical Engineering and Computer Science at the California Institute of Technology (Caltech). Your total score is **94** out of 100 which places you in the top **2.43%** of our reference database of participants.

Best regards.

- The statement of completion does not affirm that the student was enrolled at Caltech.
- It does not confer a university grade, course credit, or degree.
- It does not verify the identity of the student.
- Some online offerings may draw on material from courses taught on campus, but they are not equivalent to on-campus courses.
